1. INTRODUCTION

This is the official rulebook ("Pro Draft Rulebook") of the F1 Esports Series 2020 Pro Draft ("Pro Draft"), being the second stage of the F1 Esports Series 2020 ("F1 Esports Series"). The Pro Draft is open to participants ("Drivers" and each a "Driver") who have proceeded from the "2020 Qualification" of the F1 Esports Series, who have been invited to participate by Formula 1 (as defined below) or are a "Wildcard" (as referred to in paragraph 7.2), in accordance with the F1 Esports Series 2020 Qualification Rulebook available at <https://f1esports.com/rules>. "2020 Qualification" has the meaning given to it in the Qualification Rulebook.

The Pro Draft is the second stage of the F1 Esports Series and involves Drivers trying to secure a contract with a Professional F1 Esports Team ("Teams" and each a "Team"), and, with it, the possibility of participating in the final stage of the F1 Esports Series, being the F1 Esports Pro Series 2020 ("Pro Series"). More information including the rules and format of the Pro Series can be found in the official rulebook governing the Pro Series, which shall be made available at <https://f1esports.com/rules>.

This Pro Draft Rulebook supplements the Qualification Rulebook and applies to the Teams and Drivers ("Participants" and each a "Participant") and governs the operation of the Pro Draft. By taking part in the Pro Draft, all Participants agree that it is governed by, and that they will abide by, the Terms and Conditions (as defined in paragraph 2.2).

Formula One Digital Media Limited ("Formula 1" or "F1") reserves its rights to alter, amend or supplement this Pro Draft Rulebook from time to time as it considers desirable to do so and, in particular, once more specific information is revealed about the Pro Draft closer to the event dates.

2. PROMOTER AND TERMS OF ENTRY

- 2.1. The promoter and operator of the F1 Esports Series (including the Pro Draft) is Formula 1.
- 2.2. By entering the F1 Esports Series in whatever manner and at whatever stage (i.e. through 2020 Qualification or by invitation from Formula 1) each Driver and each Team (as applicable) accepts the following terms and conditions (together the "Terms and Conditions"):
 - a) this Pro Draft Rulebook, the 2020 Qualification Rulebook and the 2020 Pro Series Rulebook (together the "Sporting Rules") which can be found at <https://f1esports.com/rules>;
 - b) the Competition and Prize Rules;
 - c) the Handbook for Drivers, Teams and other participants which can be found at <https://f1esports.com/rules> ("Handbook"); and
 - d) the terms of use and the privacy policy of the official Formula 1 at <https://f1esports.com> (the "Website") as updated from time to time, which are available at <https://f1esports.com/legal-notice>. Please note that any other website used in relation to the F1 Esports Series will also have terms of use, which will apply to use of such site and Formula 1 is able to take no responsibility for such site(s), their terms of use or any related liability.
- 2.3. All Drivers who participate in the Pro Draft will be required to enter into a written contract as a pre-condition to participating in the Pro Draft ("Pro Draft Contract"), and such contract may include:

 - e) a guarantee that the Driver is free of any contract or agreement to represent another esports team or organisation.
- 2.4. In respect of the Pro Draft, if there is any conflict between the Qualification Rulebook, the Pro Series Rulebook, the Participant's Handbook and this Pro Draft Rulebook, this Pro Draft Rulebook shall prevail.

3. PLAYER ELIGIBILITY

- 3.1. All Drivers must meet all requirements in this Section 3 in their entirety to be eligible to participate and continue to participate in the Pro Draft.
- 3.2. Any Driver who does not meet all requirements, including any Driver in breach of their Pro Draft Contract or who's Pro Draft Contract has been terminated, shall be deemed ineligible and may be removed from the F1 Esports Series unless and until such time as Formula 1 is satisfied that all eligibility criteria has been met. Drivers agree that Formula 1 can investigate and take such other action as it may reasonably require in determining eligibility.
- 3.3. To be eligible to participate in the Pro Draft, a Driver must have qualified through the 2020 Qualification, be invited by F1 (in both cases in accordance with the Qualification Rulebook), or be a "Wildcard" (as referred to in paragraph 7.2).
- 3.4. The F1 Esports Series is open to residents of all countries where the Game and/or the F1 Esports Series is not prohibited or unlawful (each Driver to satisfy themselves as to whether this condition is met) except:

- 3.5. A Driver is not eligible to participate in the Pro Draft if they are bound to any contract or agreement to represent another esports team or organisation over the course of the Pro Series. Any Driver

found to be in breach of this Section 3.5 (and with it, their Pro Draft Contract) may be removed from the Pro Draft and deemed ineligible for the remainder of the F1 Esports Series. Drivers may be asked to provide evidence to support their eligibility.

- 3.6. In participating in the Pro Draft each Driver confirms that he/she:
- a) is eligible to do so and eligible to claim any prize that he/she may win;
 - b) fully and unconditionally agrees to and undertakes to comply with this Pro Draft Rulebook (and all other agreements, rules and policies referred to in this Pro Draft Rulebook) and any instruction of Formula 1 (and/or its nominee) in relation to the Game and/or F1 Esports Series; and
 - c) accept that decisions of Formula 1 regarding all matters relating to the F1 Esports Series and/or Game are final and binding.
- 3.7. If a Driver is aged under eighteen (18) years of age or such higher majority in any relevant jurisdiction in respect of any applicable law or regulation (the 'Eligible Age') at the time of the Pro Draft, he/she agrees that Section 4 applies and has been complied with.
- 3.8. Where a Driver is unable to participate in the Pro Draft, or unable to demonstrate to F1's satisfaction that they are willing and able to participate in the Pro Draft or Pro Series as applicable, or where reasonably necessary for contractual, disciplinary, operational or similar reasons, F1 reserves the right to replace such Drivers with alternative Drivers based on skill and performance.

4. MINORS

- 4.1. If a Driver is under the Eligible Age (as referred to in Section 3.7) at the time of the Pro Draft, he or she must obtain written parental or guardian consent to enter the Pro Draft and claim any prize. F1 may ask any Driver to provide proof of age and/or any relevant consent at any time.
- 4.2. A Driver is not eligible to enter the Pro Draft if they are under sixteen (16) years of age.
- 4.3. In providing parental or guardian consent in accordance with Section 4.1, such parent or guardian acknowledges he or she has read and agrees to the Terms and Conditions.
- 4.4. If a Driver is under the Eligible Age at the time of the Pro Draft and such Driver qualifies to participate in the Pro Draft, their parent/guardian must be present with the Driver and physically accompany them to, and at, all relevant meetings in relation to the Pro Draft.

5. GENERAL STRUCTURE

- 5.1. The Pro Draft shall feature Teams taking turns selecting Drivers from a pool of qualifying Drivers for the chance to represent that team in the Pro Series.
- 5.2. The Pro Draft shall take place online on the following date ("Pro Draft Event"). Formula 1 may change the dates and venue of the Pro Draft in its sole discretion but, if it does so, it shall notify the Participants as soon as reasonably practicable:

DATE	ACTIVITY	VENUE
13 Aug 2020	Pro Draft Event	Online

- 5.3. Drivers shall not be permitted to participate in the Pro Draft if pre-existing arrangements prevent them from doing so (for example, participation in the Pro Draft is strictly prohibited where a Driver has an existing contract with an esports team or organisation).
- 5.4. Over the course of the Pro Draft, Drivers represent their own skills and abilities.
- 5.5. Team participation at the Pro Draft Event is mandatory, with a minimum of 1 Team member required to represent each Team online by making Draft Picks (as defined in Section 8).
- 5.6. Drivers are not guaranteed access to the Pro Draft Event and instead shall be notified of the outcome via email.
- 5.7. Note that:
 - a) In participating in the Pro Draft, there is no guarantee of securing a driver contract with a Team but participants may have the opportunity to be selected by one of the Teams.
 - b) Drivers are restricted from discussing publicly the outcome of the Pro Draft Event (in accordance with Sections 8.13 and 8.14) regardless of whether they are selected by a Team or not.

6. TEAM INTERVIEWS

- 6.1. In the lead-up to the Pro Draft, Drivers may be invited to interviews by one or more official F1 Esports Team in order for such Teams to find out more about the driver.
- 6.2. Teams are under no obligation to interview any drivers.
- 6.3. Drivers are in no way guaranteed to be interviewed by a Team but must make every reasonable effort to attend any online or telephone interviews they are requested for.

7. PRO DRAFT POOL

- 7.1. The Pro Draft shall feature the Teams taking turns to pick drivers with the intention of offering them driver contracts to be part of their Team for the Pro Series. Note: in participating in the Pro Draft, there is no guarantee of securing a driver contract with a Team but participants may have the opportunity to be selected by one of the Teams.
- 7.2. In Formula 1's sole determination, the winner and runner-up of the F1 Esports Series 2019 China Championship which was licensed by Formula 1 in relation to 2020 Qualification may be invited to the Pro Draft (in accordance with the Qualification Rulebook) as Wildcards (each a "Wildcard").
- 7.3. There shall be a draft pool ("Draft Pool") from which Teams are permitted to select Drivers for their team. In Formula 1's sole determination, the Draft Pool shall comprise 45 Drivers from 2020 Qualification and/or by invitation from Formula 1:

CHALLENGER SERIES	PLAYOFF	TIME TRIAL	WILDCARDS	2019 PRO SERIES
21 drivers	9 drivers	6 drivers	2 drivers	7 drivers

- 7.4. F1 may, without notice, if circumstances necessitate (for example, unprofessional behaviour, refusal to participate or failure to satisfy the eligibility criteria), replace a Driver in the Draft Pool with another

Driver from the Knockout Racing to proceed in the Pro Draft, in its sole discretion (based on performance and speed).

8. PRO DRAFT PICKS

- 8.1. Teams shall take turns to select Driver(s) from the Draft Pool at a time and using such mechanism as communicated to Teams by Formula 1 with each Team required to pick at least one and no more than three Drivers during three rounds of selection (one pick per round).
- 8.2. Teams are assigned an order for selecting Drivers based on the final F1 Esports Pro Series 2019 Team Standings with Teams picking in reverse championship order during the first round of selection ("Draft Pick 1"). In the second round of selection ("Draft Pick 2"), the order in which selections are made will follow the reverse order from Draft Pick 1 i.e. the Team with the first selection in Draft Pick 1 shall be given last selection in Draft Pick 2. The third and final round of selection ("Draft Pick 3") shall follow the same order as Draft Pick 1.
- 8.3. Providing that all 10 teams from the F1 Esports Pro Series 2019 participate in the Pro Draft, the selection order shall follow that as detailed in Schedule 2. If fewer than 10 teams participate in the Pro Draft then the relevant Team or Teams shall be removed from the selection order.
- 8.4. In the event that a Team joins the F1 Esports Series which did not participate in the F1 Esports Pro Series 2019 then that Team shall pick first in Draft Pick 1, last in Draft Pick 2 and first in Draft Pick 3, in which case the Team allocated first pick in Draft Picks 1 and 3 (as detailed in Schedule 2) shall be given second pick, the Team allocated second pick shall be given third pick, and so on. If more than one new Team joins the F1 Esports Series then F1 shall determine the selection order between the new Teams in its sole discretion but acting reasonably.
- 8.5. Teams may trade their Draft Pick positions (for example, to improve their position in current or future Pro Drafts) in accordance with this rulebook up until the day of the Pro Draft Event. All Teams involved in a trade must notify F1 Esports of all trade information in writing, and be approved by Formula 1 before the Pro Draft Event, in order to be valid and effective.
- 8.6. Each Team must pick one Driver from the Draft Pool during Draft Pick 1. Teams are permitted (although not obligated) to pick additional Drivers from the Draft Pool in Draft Pick 2 and Draft Pick 3 (one (1) Driver per round), up to a maximum of three (3) Drivers each. Each pick, whether in Draft Pick 1, Draft Pick 2 and/or Draft Pick 3, shall be referred to as a "Draft Pick".
- 8.7. Teams shall be required to inform Formula 1 of the number of picks they intend to make during the Pro Draft Event in advance of the event dates (and upon request).
- 8.8. When a Team chooses a Driver from the Draft Pool, that Team must notify a F1 Esports Official of their Draft Pick. A Draft Pick is not recognised until it has been formally submitted to the F1 Esports Official. The F1 Esports Official may then announce the pick.
- 8.9. A Team can make a Draft Pick in the Pro Draft Event only if it is their turn to do so. Teams are required to submit their choice of Draft Pick within the time limit (as communicated to Teams by Formula 1). Teams will be notified when it is their turn. Other than in cases outside of their control

(as determined by F1), if a Team fails to submit a Draft Pick in the allotted time, they forfeit their respective Draft Pick and are automatically withdrawn from that round of Draft Picks.

- 8.10. Once a Draft Pick has been submitted to the F1 Esports Official, that Team's Draft Pick is considered complete and the selection process moves on to the next Team. A Draft Pick cannot be altered or revoked once submitted to the F1 Esports Official.
- 8.11. Once a Team has made all of their picks (in accordance with Section 8.6), that Team shall be considered withdrawn from the selection process and may not be permitted to make further picks during the Pro Draft Event. Withdrawn Teams must remain present for the remainder of the Pro Draft Event and continue to comply with any obligations relating to the Pro Draft and/or F1 Esports Series, including any broadcasting or commercial obligations.
- 8.12. Draft Picks continue to be made according to the relevant order (taking into consideration any new Teams, trades and/or withdrawals) until every Team has either withdrawn from the Draft or Draft Pick 3 has finished, at which point the selection process is considered complete. For the avoidance of doubt, each Team must have picked at least one Driver from the Draft Pool before it can be considered complete.
- 8.13. Drivers and Teams are restricted from announcing Pro Draft Picks publicly until permission has been formally granted by Formula 1. F1 reserves the right to exclusively announce all Pro Draft Picks. This paragraph also applies to any approach by a Team to sign a Remaining Driver (as defined in Section 8.15).
- 8.14. Following the conclusion of the Pro Draft, where Drivers were not chosen by a Team, Drivers are restricted from announcing publicly that they were not chosen by a Team in the Pro Draft until after the Draft Picks have been formally announced by Formula 1.
- 8.15. Following the conclusion of the Pro Draft, Teams are free to approach any Driver that was not chosen by a Team in the Pro Draft ("Remaining Drivers") with the intention of offering them driver contracts to be part of their Team for the F1 Esports Pro Series 2020. Drivers should note that no Team is obligated to make an approach for them at this stage. If one or more approaches are made, such Drivers may (but are under no obligation to) negotiate with one or more Teams to agree a contract, in accordance with Section 9.

9. CONTRACT NEGOTIATIONS

- 9.1. Once a Team has chosen a Driver as their Draft Pick, it is up to that Team and the relevant Driver to agree a contract with the possibility of representing that Team in the Pro Series. Drivers must be contracted with a Team for the entirety of the Pro Series to be considered eligible to race in the Pro Series.
- 9.2. Teams shall not be expected to discuss contracts with Drivers during the Pro Draft Event and, instead, should conduct contract negotiations at a later date (but before the Roster Deadline, as defined in Section 10.1).
- 9.3. Teams and Drivers are wholly responsible for negotiating, agreeing and documenting contracts. Drivers should seek any advice they may require (including legal advice) at their own cost. F1 shall

not be responsible for any damage, loss, liabilities or disappointment incurred or suffered by a Driver or Team as a result of entering into such a contract.

- 9.4. If a Driver agrees a contract with a Team in accordance with this Pro Draft Rulebook, they may be selected by the Team to represent that Team in the Pro Series providing they continue to satisfy the eligibility criteria set out in Section 3 and the specific rulebook governing that stage of competition.
- 9.5. If a Driver fails or refuses to sign a contract with a Team for any reason other than where such contract offer is wholly unreasonable in the circumstances (as determined by Formula 1 in its sole discretion), then that Driver shall not return to the pool of Remaining Drivers and may be considered ineligible for the remainder of the F1 Esports Series. Where it is deemed that such contract offer was wholly unreasonable then that Driver shall return to the pool of Remaining Drivers and shall remain available to be approached by Teams in accordance with Section 8.15.
- 9.6. Teams are not permitted to sign Drivers who have qualified for the Pro Draft (regardless of whether or not the Driver has accepted the Pro Draft invitation) outside of the Pro Draft process (i.e. by selecting the Driver as a Draft Pick or signing the Driver in accordance with Section 8.15).
- 9.7. Please note:
 - a) Drivers and Remaining Drivers are in no way guaranteed a contract with a Team but the Pro Draft offers an opportunity to be picked by a Team.
 - b) Drivers must be contracted to a Team in order to participate in the Pro Series. However, Drivers and Remaining Drivers are under no obligation to accept any offers made to them by a Team.
 - c) Drivers contracted to Teams are in no way guaranteed to compete in the Pro Series.
 - d) Drivers and Teams are strictly forbidden from announcing publicly any contract negotiations and/or outcomes involving Drivers from the Pro Draft Pool (in accordance with Sections 8.13 and 8.14).

10. TEAM ROSTER

- 10.1. Each Team must submit a roster to F1 listing 3 drivers (each a "Pro Series Driver" and together the "Pro Series Drivers" or "Team Roster"), including a minimum of 1 Driver selected from the Draft Pool, who are contracted to the Team for the entirety of the Pro Series and who may participate in the Pro Series, by a date and time as communicated by F1 to the Teams ("Roster Deadline").
- 10.2. Pro Series Drivers and/or Team members may be required to participate in video interviews filmed for a Pro Draft show to broadcast ahead of the Pro Series. Teams must make all reasonable efforts to make their Pro Series Drivers and a minimum of one Team member available for filming.
- 10.3. Teams must have 3 Drivers on their Team Roster at all times during the Pro Series, in accordance with Section 10.1, available for every round of the Pro Series (however, only 2 Drivers are required to participate in any given round).
- 10.4. In cases where a Pro Series Driver ceases to participate in the F1 Esports Series (including the Pro Series) (for reasons including but not limited to withdrawal, disqualification or contractual issues), leaving the respective Team below the required threshold of Pro Series Drivers (as specified in

Section 10.1), that Team shall be required to replace the respective Pro Series Driver with another Driver chosen from the pool of Remaining Drivers or, if no Drivers are available from the pool of Remaining Drivers or the Team has made all reasonable effort (at Formula 1's sole discretion) to contract a Driver from the Remaining Drivers and has not been successful, with a participant of their own choosing.

- 10.5. Teams must comply with Section 10.1 and Section 10.3 at all times with respect to the number of Pro Series Drivers in their Team Roster and, in particular, the minimum participants picked from the Draft Pool.
- 10.6. Except in cases of driver illness or other situations outside of a Team's control (as determined by F1), any changes to a Team Roster must be immediately declared to F1 a minimum of 7 days prior to the next round of the Pro Series, unless otherwise agreed with Formula 1. Full details of any changes must be disclosed to F1 by the respective Team by the agreed deadline and approved by F1 before being considered legitimate.
- 10.7. The Team shall be solely responsible for communicating with and managing their Pro Series Drivers, and their attendance and participation, in the remainder of the F1 Esports Series.

11. CONDITIONS OF PARTICIPATION

- 11.1. Drivers must be available to meet any obligations regarding the F1 Esports Series, for the entirety of the Pro Draft. Drivers may also be required to allocate additional time for travelling to meet any obligations, which may or may not include several day's travel.
- 11.2. Drivers may not do, or permit anything to be done, which might adversely affect any of Formula 1's commercial rights or the value of the commercial rights and shall not be entitled to exploit any commercial or other agreement (including the endorsement and/or promotion of a competitor's products or services,) other than as agreed with Formula 1.
- 11.3. Stages of the F1 Esports Series may be filmed and broadcast and each Driver acknowledges and agrees that Formula 1 shall be entitled to use any such footage in its discretion.
- 11.4. Drivers agree to conduct themselves in a manner that reflects positively on the F1 Esports Series and Formula 1 in all respects and abide by the Terms and Conditions at all times. - 11.5. Drivers and Teams acknowledge that all decisions by Formula 1 in respect of the Sporting Rules (including this Pro Draft Rulebook) shall be final and are not open to dispute or legal challenge.

12. PERSONAL INFORMATION

- 12.1. By entering the F1 Esports Series in whatever manner (i.e. through 2020 Qualification, invitation from Formula 1 or as a Wildcard), each Driver agrees and consents to the use and reproduction by or on behalf of Formula 1 of their name, voice, still and moving (including photographic) images and/or comments relating to the F1 Esports Series without limitation for such promotional, merchandising, marketing and publicity purposes of Formula 1 in any and all media worldwide without notice to them
